Visit of your premises during regional innovation seminar

Dear Mr. Daaboul,

We would like to convey our highest appreciation of your generous gesture to welcome participants of the Regional Seminar on **Approaches for Strengthening National Innovation Systems** held in Damascus on 16-17 Feb. 2010 in your premises in Sahnaya, Damascus and offering them a field visit to see one good example of innovation in the industry that is based on R&D.

Again, this has been an insightful encounter for the participants who communicated the positive effect of the example they have seen as well as of your hospitality.

Thank you very much for your cooperation.

Kind regards,

A. Hilbig
